

“ Jared meshes Hip Hop lyrics, electronic and post punk influences with classic rock to create a truly unique sound. ”
-Rik Cordero

“ Often you meet artists in the music game and they tell you that they are trying to create a new lane....well, Jared is really on some other shit. ”
-Polow Da Don

“ Jared is impressively lyrical, expressive and emotive – just listen to his 'Frozen' track on the 'More Than A Game' soundtrack for yourselves and you too will become a believer. ”
-Mariel Concepcion
(Billboard Magazine)
